Issa bin Maryam, a Messenger of Allah

The Christian Kuffar celebrate every year with what they claim to be the "birthday of the Lord the Messiah," and they fill the world with noise, fornication and immorality due to their claim. Here we wonder: can a god be born? Can he be crucified and killed? And is it with fornication and demonic rituals their supposed god is celebrated?! If you wonder, there is more: there are those who participate and congratulate them on their celebration of shirk and who affiliate themselves with Islam, and they go further to claim that to do so is of Islam!

The Christians are disturbed in their doctrine. They did not settle on one god, but chose to have three gods, and it is an obvious disturbance which they themselves know very well but their tongues deny. Allah said: "And do not say, 'Three.' Refrain—it is better for you. Allah is only one God" (An-Nisa': 171). And another disturbance is in the truth of the Prophet of Allah Issa (peace be upon him), between those who claim that "he is a god", and those who claim "he is the son of Allah"! May Allah assail them, how deceived they are!

The truth about Issa (peace be upon him) is what the true Lord said in His honorable Book: "The Messiah, Issa bin Maryam, a messenger of Allah" (An-Nisa': 171). Issa only a worshiper of Allah and a messenger that Allah sent, and he never called for the worship of anyone but Allah alone. Truly, he said while still a newborn: "I am the servant of Allah. He has given me the Scripture, and made me a prophet" (Maryam: 30). And he said when he got older: "Allah is my Lord and your Lord, so worship Him. That is a straight path" (Aal-i-Imran: 51). Are the Christian mushrikin too blind to see that, or did they want to lift Issa from what they claim to be detraction?! His description (peace be upon him) as a servant is not a detraction, and is not something he (peace be upon him) would disdain. Allah said: "The Messiah does not disdain to be a servant of God, nor do the favored angels" (An-Nisa': 172). Instead, he takes pride in being a servant of Allah and he spoke of that and invited to it since his young age, until Allah elevated him to His side. The description of being a servant of Allah alone is an honorable description which He used to describe His Prophet Muhammad ﷺ, saying: "Glory to Him who journeyed His servant by night" (Al-Isra': 1). And there is no position higher than being a servant of Allah, just like there is no lower position than worshiping anything else, and that is why shirk is the greatest corruption, and tawhid is the greatest good, and the pens have been lifted and the papers have dried.

The Prophet Issa (peace be upon him) stated clearly that those who commit shirk will end up in Hell. He said: "O Children of Israel, worship Allah, my Lord and your Lord. Whoever associates others with Allah, Alah has forbidden him Paradise, and his dwelling is the Fire. The wrongdoers have no saviors" (Al-Ma'idah: 72).

On the Day of Judgement, the lies of the Christians are revealed in a fearful scene which all of creation will witness. Allah said: "O Issa bin Maryam, did you say to the people, 'Take me and my mother as gods rather than Allah?' He will say, 'Glory be to You! It is not for me to say what I have no right to. Had I said it, You would have known it. You know what is in my soul, and I do not know what is in Your soul. You are the Knower of the hidden. I only told them what You commanded me: that you shall worship Allah, my Lord and your Lord" (Al-Mai'dah: -116 117). Then they are dragged to hell, thousands and millions of them, and Allah does not care about them.

The Christians are celebrating with what makes the heavens almost rupture, and the earth split, and the mountains fall and crumble. They are celebrating shirk and endorsing the divinity of Issa (peace be upon him) and that he is the son of Allah! Allah exposed their lies when He said: "He begets not, nor was He begotten" (Al-Ikhlas: 3).

After this, how dare many fools who affiliate themselves with Islam today participate with the Christians and congratulate them in their celebrations of shirk! Even worse than them are those inciters of malice who permitted them to do so! And some even preferred it and others made it an obligation! However, the scholars of Islam have agreed that it is forbidden, and some even declared who does so a Kafir.

(Ibn Taymiyah's Fatwas)

Ibn al-Qayyim (may Allah have mercy on him) said: "As for congratulating the ritual of kufr, it is haram by everyone's agreement, like congratulating them for their celebrations or fasting, saying: happy holiday, or enjoy this celebration, and words of that sort. If he did not fall into kufr with this, it remains surely forbidden. It is the same position as congratulating him for bowing down to the cross, and even a greater sin with Allah, and worse than congratulating with drinking wine, killing, and committing adultery and so on." (Rulings on the People of Dhimmah)

The Christians today are vicious enemies of Islam and its people, and the war is burning between us and them. One of the most obvious images of this war is the "Crusader alliance" led by Christians, as they are the leaders of the Crusades historically and today.

It is the duty of a Muslim to treat the Christians the same way they treat Muslims. Thus, just like they shred the Muslims with their airstrikes and bombshells, the duty the Muslim holds is to turn their celebrations into funerals and tragedies. It is an eye for an eye, to fight them in every possible way in celebrations and other times. Fighting them in their times of celebration is worse and harder on them, and easier to get them. Their shirk and claim of the divinity of Issa (peace be upon him) is enough motivation and that which makes it an obligation to fight them, so what then when they added to that their war against Islam and its people?!

The relationship between Muslims and Christians is one of war and enmity, until their blood is saved by themselves becoming Muslims or being given security. Otherwise, it is war after war after war until Issa comes down in the end of times as a just ruler with the Islamic Shari'ah, the Shari'ah of Muhammad ﷺ, which is being obstructed by the biggest Crusader alliance the world has ever witnessed. Yes, Issa (peace be upon him) will come down and will break the cross on which they claim he was killed and crucified. Allah said: "In fact, they did not kill him, nor did they crucify him, but it appeared to them as if they did" (An-Nisa': 157). And he will remove the Jizya, and then only Islam or getting killed are options for Christians, and he will kill the pig who they resemble in its filthiness.

It is a true promise from our Prophet Muhammad ﷺ when he said: "By the one who controls my soul, soon that the son of Maryam will come down among you as a just ruler, breaking the cross, and killing the pig, and removing Jizya, and money will overflow until no one accepts it." (Sahih al-Bukhari) And in another narration: "And Allah will doom all sects in his time except Islam." (Abu Dawood)

This is the invitation of the Islamic State which it never backed down from or slackened in delivering, and for it, its bright leaders and loyal soldiers met their destiny. It is the invitation of tawhid with which the heavens and the earth stand, and it is the way of all messengers and their path, the righteous path. It is the path of Allah since Adam (peace be upon him) until Muhammad ﷺ and until this day.: "The path of those You have blessed, not of those against whom there is anger, nor of those who are misguided" (Al-Fatihah: 7). Not Judaism or Christianity, not nationalism or patriotism, a pure Ibrahimian way. "Say, 'Allah has spoken the truth, so follow the religion of Ibrahim the Monotheist; he was not a pagan'" (Aal-i-Imran: 95).

Muslims must prepare for the great battles which precede the descent of Issa (peace be upon him), and that can only be done by continuous preparation and jihad for the sake of Allah, and holding firm to the Book and the Sunnah, the prophetic method that the Islamic State carries. It is only with this that Muslims will be victorious. And Allah has full power and control over His Affairs, but most of people know not.
